Education

Shiv Nadar University, Institution of Eminence, Delhi NCR **Aug 2021 - May 2023**
M.S., Economics; CGPA 8.53/10.0 (Rank 1 in cohort)
Thesis: *Do Political Cycles Alarm Officers? Evidence from the Indian Bureaucracy*
Advisor: Arka Roy Chaudhuri

Scottish Church College, University of Calcutta, Kolkata **Jun 2018 - Jul 2021**
B.Sc. (Hons.), Economics; CGPA 8.61/10.0

PhD Courses Taken (ISB)

- Linear Algebra
- Real Analysis

Research Interests

Economics of Information Systems; Econometrics; Applied Microeconomics

Publications

- **Weathering the Storm: Climate Change and Household Finance in India**
  Saptashya Ghosh, Sankalp Mathur
  Chapter 4, *India Finance Report 2025*, Centre for Advanced Financial Research and Learning (CAFRAL), Reserve Bank of India

Working Papers

- **AI at the Fingertips: How Does LLM App Adoption Reshape Smartphone Usage?**
  Saptashya Ghosh, Saharsh Agarwal
  Under review, *Information Systems Research*

Research Experience

Research Associate, Information Systems **June 2025 - Present**
Indian School of Business (Hyderabad)

- Construct and analyse a session-level smartphone usage panel covering over one million Android users, building balanced user panels from raw app-session records.
- Implement staggered difference-in-differences and event-study designs (Callaway–Sant'Anna, Gardner, Borusyak et al., stacked DiD) with robustness analysis.
- Develop structural discrete-continuous demand models (MDCEV) of app-time allocation.

Research Associate **Jul 2023 - May 2025**
Centre for Advanced Financial Research and Learning (CAFRAL),
Reserve Bank of India (Mumbai)

- Researched climate hazards and their consequences for household and corporate finance; contributed a chapter to the *India Finance Report 2025*.
- Assembled large datasets on heat stress, floods, droughts, agricultural prices and international trade through web scraping and geospatial processing.
- Worked with firm-level, bank transaction-level and other proprietary microdata.
- Presented at reading groups and brown-bag seminars.

Research Assistant **Feb 2023 - Jun 2023**
Ashoka University and IIT Kanpur, Joint Project (Hybrid)

- Applied microeconomics research using the Annual Survey of Industries (ASI), India Human Development Survey (IHDS) and RBI data; estimated event-study and DiD specifications.

Teaching Experience

Teaching Assistant, Department of Economics, Shiv Nadar University

- Macroeconomics II (Postgraduate) Spring 2023
- Money and Banking (Undergraduate) Monsoon 2022
- Introduction to Microeconomics (Undergraduate) Spring 2022
- Game Theory (Undergraduate) Monsoon 2021

Presentations

AI at the Fingertips: How Does LLM App Adoption Reshape Smartphone Usage?
– (2025) ISB-Deakin Conference, Hyderabad

Achievements and Awards

- Student Fellowship and Teaching Assistantship, Shiv Nadar University (2021-2023)
- Best Student Award, Scottish Church College, University of Calcutta (2020)

Skills

- **Software:** R, Stata, Python, LaTeX ; QGIS (intermediate)
- **Languages:** English, Bengali (native); Hindi (fluent)
