EDUCATION

Shiv Nadar University, Institution of Eminence, Delhi NCR **August 2021 - May 2023**
M.S. in Economics

- CGPA 8.53/10.0 (Rank 1 in cohort)
- Thesis: *Do Political Cycles Alarm Officers? Evidence from the Indian Bureaucracy*
  Advisor: Arka Roy Chaudhuri

Scottish Church College, University of Calcutta, Kolkata **June 2018 - July 2021**
B.Sc. (Hons.) in Economics, Minor in Mathematics and Statistics

- CGPA 8.61/10.0

RESEARCH INTERESTS

Applied Microeconomics, Econometrics, Structural Modelling

Topics: Digital Attention and Consumer Choice, Firm Competition, Social Welfare Analysis

PUBLICATIONS

- Sankalp Mathur, Rupsha Dey, Saptashya Ghosh (2025), "Weathering the Storm: Climate Change and Household Finance in India", Chapter 4, *India Finance Report 2025*, Centre for Advanced Financial Research and Learning (CAFRAL), Reserve Bank of India. *Link*

WORKING PAPERS

- **AI at the Fingertips: How Does LLM App Adoption Reshape Smartphone Usage?**, Submitted, *Information Systems Research*

  Saharsh Agarwal, Saptashya Ghosh

WORK IN PROGRESS

- **Where Does Digital Addiction Reside? App Versus Category-Level Habit Formation: Evidence From a Mobile Game Ban**

  Saptashya Ghosh, Saharsh Agarwal, Pranav Jindal

RESEARCH EXPERIENCE

1. Indian School of Business (Hyderabad) - *Pranav Jindal and Saharsh Agarwal*
Research Associate, June 2025 - present

- Co-authored a paper with Prof. Saharsh Agarwal on LLM adoption and app usage; wrote and edited the research manuscript for journal submission.
- Co-authoring another paper with Prof. Pranav Jindal and Prof. Saharsh Agarwal on Digital addiction.
- Used and worked with big app-usage datasets at the session level.
- Developed a structural model and derived a reduced form to study the level of addiction.
- Conducted literature reviews on addiction, state dependence, misinformation, changes in technology policy and related consumer preferences.
- Presented papers in research reading groups from Economics, Marketing and Information Systems journals and attended seminars of visiting faculty.

2. Centre for Advanced Financial Research and Learning (CAFRAL), Reserve Bank of India (Mumbai)

Research Associate, July 2023 - May 2025

- Used firm-level, consumer-level and bank transaction-level data, and other proprietary data such as UPI transactions and CIBIL data, and microdata from CMIE Prowess and CPHS to conduct analysis on UPI exposure and consumer expenditure patterns.
- Studied the effect of climate hazards such as heat shock and their consequences for household expenditure and commodity prices; contributed a chapter to the *India Finance Report 2025*.
- Assembled large datasets on heat stress, floods, droughts and agricultural prices through web scraping and geospatial processing.

3. Ashoka University and IIT Kanpur, Joint Project (Hybrid)

Research Assistant, February 2023 - June 2023

- Applied microeconomics research using the Annual Survey of Industries (ASI), India Human Development Survey (IHDS) and RBI data; estimated event-study and DiD specifications.

PHD COURSES CREDITED (ISB)

- Marketing, Public Policy and Economic Development (Ongoing) — *Pradeep K. Chintagunta*
- Theory of Information Economics (*Grade: A*) — *Ram N. V. Ramanan*
- Real Analysis (*Grade: A-*) — *Sabareesh Ramachandran*
- Linear Algebra (*Grade: A-*) — *Anand Deo*

OTHER RELEVANT COURSES

Post Graduate: Microeconomics I & II, Macroeconomics I & II, Political and Institutional Economics, Game Theory, Behavioural Economics, Econometrics I & II, Mathematical Methods, Statistics

Under Graduate:

- ***Economics Department***: Micro - and Macroeconomics sequence, Managerial - International - Development - Public Economics, Applied Econometrics
- ***Mathematics Department***: Calculus (Differential and Integral), Linear Algebra ,Differential Equation, Coordinate Geometry, Numerical Methods, Linear Programming

- ***Statistics Department***: Probability and Statistical Inference

TEACHING EXPERIENCE

Shiv Nadar University, Department of Economics
Teaching Assistant
- Macroeconomics II (Postgraduate) - Spring 2023
- Money and Banking (Undergraduate) - Monsoon 2022
- Introduction to Microeconomics (Undergraduate) - Spring 2022
- Game Theory (Undergraduate) - Monsoon 2021

PRESENTATIONS

"AI at the Fingertips: How Does LLM App Adoption Reshape Smartphone Usage?"
- ISB - Deakin Conference 2025, Hyderabad

ACHIEVEMENTS AND AWARDS

- Student Fellowship and Teaching Assistantship, Shiv Nadar University, 2021 - 2023
- Best Student Award, Scottish Church College, University of Calcutta, 2020

SKILLS

Software: R, Stata, Python, LaTeX; QGIS (intermediate)
Languages: English (Advanced) , Bengali (native); Hindi (fluent)
